Filipino Community Centre Project

Adopt-a-Brick
Adopt-a-Brick

The Filipino Community Centre Project.

The Filipino Community Centre (FilComm Centre) is a unique journey whose destination marks the fulfillment of a dream to *“Promote and preserve our heritage so that our children, and our children’s children will be able to celebrate what makes us unique as a people in this city that we now call home.”* *“Pamana natin ‘yan (This our heirloom).”*

Today, the number of Filipinos arriving in the Wellington region is growing exponentially and the need for a Filipino Community Centre where we can congregate for social, cultural, sports and religious purposes rings louder than ever.

One Brick At A Time

Nothing is impossible for a community who yearns to express itself in brick and mortar through a cultural and community centre for the good of all its members. To achieve that aspiration, we need the community to help the Foundation raise funds in stages: for acquisition of land, for construction of the Main Centre, for the Marketplace Space and for development of the surrounding garden grounds. While all these components constitute “The FilComm Centre Project” when completed, it will be open and used for all community members and groups regardless of their ethnic background – a testament to New Zealand’s rich diversity of its peoples.

How does the Adopt-a-Brick work?

The Concept is simple. A number of bricks are offered for adoption, reserved and paid in advance by interested individuals, organizations, businesses, offices and politicians. These bricks are then set aside in a “warehouse” BANK that will eventually be used to build the CENTRE.

50,000 brick are being offered for adoption and available for \$100 and \$50 each is paid in advance. Each brick will be made in the form of plaques and engraved with each donor’s name. This will be clearly displayed in a prominent place when the centre is completed. There is no limit as to how many bricks you wish to adopt.

Imagine what the Community can all achieve:

SCENARIO 1

50,000 BRICKS subscribed @ \$100.00 = **\$5 million**

SCENARIO 2

50% of the BRICKS subscribed @ \$50.00

50% of the BRICKS subscribed @ 100.00 = **\$3.5 million**

SCENARIO 3

50,000 BRICKS subscribed @ \$50.00 = **\$2.5 million**

How much are we aiming raise to get started?

Below are some conservative figures that we believe is achievable with your support. Regular updates showing the amount collected will be posted on our website www.bulwagan.org.nz for everyone’s information.
