

## OPPORTUNITIES TO GET INVOLVED IN FILCOMM CENTRE PROJECT

There are other ways you can also support the project.

**Adopt-a-brick:** 50,000 brick are being offered to individuals, businesses and organizations for adoption and available for \$100 and \$50 each is paid in advance. Each brick will be made in the form of plaques and engraved with each donor's name. This will be clearly displayed in a prominent place when the centre is completed. There is no limit as to how many bricks you wish to adopt.

Imagine what the Community can all achieve:

### SCENARIO 1

50,000 BRICKS subscribed @ \$100.00 = **\$5 million**

### SCENARIO 2

50% of the BRICKS subscribed @ \$50.00

50% of the BRICKS subscribed @ 100.00 = **\$3.5 million**

### SCENARIO 3

50,000 BRICKS subscribed @ \$50.00 = **\$2.5 million**

**Alkansiya** donors will also have **Bricks** engraved in their names.

**Pledges:** You can pledge any amount regularly or simply make a pledge by filling out a pledge form. This is another way of donating and is separate from Adopt-a-Brick or Alkansiya. Your pledge will be included in the information published regularly.

**Media and Communication:** We need people who will be willing to donate their time to help with media, website and campaign.

**Organise Fundraising Events:** These events can be as creative and fun as you wish to make them. You decide how much you/your organization want to donate to the FilComm Centre Project from the proceeds.

**Sponsorship :** Platinum, Gold and Silver sponsorship for businesses and organisations are available . Your logos and company names will be visible on all forms of communication , events, letterheads and pamphlets. Please contact us for more details.
